

**Call for applications
International Mobility Scholarships Program of the University of Lille
MOB-LIL-EX (MOBility – LILle – EXcellence) – 2023/2024**

The University of Lille is launching its call for applications for international mobility scholarships called MOB-LIL-EX for the first semester of 2023/2024.

The aim is to support, on the basis of the excellence of the projects, the international mobility of students and young researchers from the University of Lille and its partner universities.

This call for applications has three sections:

- BUT – Master – Engineering Mobilities
- Doctoral Mobilities
- Young researchers and post-doctoral mobilities

For outgoing mobilities:

- only students enrolled administratively at the University of Lille may apply. Applications from students enrolled administratively at another university will not be eligible. Applications from doctoral students enrolled administratively in another university but attached to a research laboratory at the University of Lille will not be eligible. Moreover, the Moblilex grant cannot be offered to a student on a gap year.
- only young researchers and post-doctorate working at the University of Lille and who obtained their doctorate less than 5 years ago are eligible.
